The Hobby Fair Match

Name _____

1 Read and look

Lina and Sam are at a hobby fair.
Sam wants to try Lina's favorite hobby.
Lina takes a pencil and opens her book.
"I do this after school," she says.

hobby fair = a place to share hobbies

Which hobby does Sam want to try? Circle the clue in the picture.
Underline the words that tell you whose hobby Sam wants to try.

2 Put your choice first

Write 1 by the hobby you like more and 2 by the other. Say your order.

☐ Drawing ☐ Reading

I put ... first.

3 Make a hobby pair

Circle one quiet hobby and one sport. Find the only pair that fits both clues.
Both cards have the same mark. One card shows a book.

Quiet hobbies	A Reading	B Drawing
Sports	C Soccer	D Running

My pair _____

4 Ask a partner

What's your favorite hobby?
My favorite hobby is ...

Swap roles. Write your partner's answer.

_____

5 Write to Sam

Tell Sam your favorite hobby. Write one more sentence to say why you like it.

_____

_____

_____

Discuss Which hobby do you put first for our class fair? Why?

Lesson Ideas for “The Hobby Fair Match”

Before class

Show a pencil and a book. Mime drawing and reading. Name both hobbies and say which one you put first. Point out the star and leaf on the cards.

My favorite hobby is ...

In class

1 Combine two clues

Ask whose hobby Sam wants to try. Use the bird picture to distinguish drawing from reading.

2 Share a ranking

Let learners rank the two hobbies. Have pairs say which hobby they put first.

3 Match the cards

Have learners find two pairs with matching marks. Apply the book clue and ask pairs to explain.

4 Ask and listen

Model the question and answer. Partners take turns and record one detail they hear.

5 Write to Sam

Ask for a favorite hobby and one reason. Invite learners to share different choices.

Teacher talk

“Whose hobby does Sam want to try?”

“What can you see in Lina’s book?”

“Which pair has a book and two matching marks?”

Check the answers

1 Drawing. Sam wants to try Lina’s favorite hobby. Lina is drawing a bird.

2 Answers will vary.

3 A and D. Both cards have a leaf, and card A shows a book.

4–5 Answers will vary.

Try it another way

Use picture cards to add familiar hobbies. Partners sort them and ask each other the same question. For support, let learners point to a card and say the full sentence.
